

Approaches to Apologetics: Reformed Epistemology

How do you know anything?

- ◆ Sense Experience
- ◆ A Priori
- ◆ Unconfirmed Trust

Foundationalism

- ◆ 2 basic categories for beliefs:
 1. Properly Basic
 2. Dependent beliefs.

3 Reasons for Belief in God to be Foundational

1. Lack of access to or ability to assess most Theistic Arguments.
2. God has given us Awareness of Himself not dependent on arguments.
3. Belief in God is more like belief in a person than belief in a Scientific Theory.
